

PC146 All purpose stereo headset, with built-in USB sound card

- ▶ The flexible **neckband** won't cramp your style
- ▶ **Perfect for Internet telephony, music-listening and gaming**
- ▶ A headset with **USB adaptor and integrated sound card** for premium stereo performance

The PC 146 USB gives you the flexibility of a USB-compatible headset and still fits under your lucky hat. Take it anywhere you go for ultimate sound and total convenience without changing the laid-back look.

- ▶ Adjustable, bendable, pivotable, noise-canceling microphone improves the clarity of your communication, and gives you more comfort and flexibility
- ▶ In-line volume control and microphone mute switch lets you decide volume intensity and have a side conversation in privacy
- ▶ Can be used with CD/DVD/MP3 players and for IP-based communications via a detachable USB adaptor that reveals 2 x 3.5 mm plugs
- ▶ Single-sided cable keeps chin and neck free so you can concentrate on your game
- ▶ Cable wind-up clip keeps excess cable wire - between headphones and adaptor - out of the way when you play
